

TO WHOM SO EVER IT MAY CONCERN

This is to certify that The Cambrian School, Saadatganj, Ayodhya has a beautiful and a spacious building. All the classrooms are airy, well lit, well furnished and properly ventilated with huge windows and doors. There is sufficient provision of air and light required for the healthy development of children. Clean and pure drinking water is available for the children at all times through water coolers supported by RO water purifiers.

There are separate toilets for girls and boys. The toilets are clean, ventilated and have a continuous supply of water and soap.

The school ensures that the standard of hygiene and cleanliness is maintained at all times. There is sufficient first aid facility to cater to small illnesses and wounds.
